MEMORANDUM FOR: Executive Director, NPIC
THROUGH : Chief, Support Staff, NPIC
SUBJECT : Request for Codeword Security Clearances

1. It is requested that T, KH and SI clearances be granted to Mr. [redacted] He was granted an agency TS clearance in June of 1967. [redacted] has been one of [redacted] chief investigators on the [redacted] which [redacted] has been carrying out for NPIC (contract no. [redacted])

2. [redacted] has been involved for the past five years in human factors investigations related to photo interpreter performance. Even though the work to be performed under contract [redacted] is almost completed, similar investigations will continue in the future and it seems certain that Mr. [redacted] will be involved in such work. The Technical Development Staff feels that it is in the interest of NPIC to grant [redacted] the requested codeword clearances so that he may become intimately knowledgeable of NPIC requirements, materials, and the methods of imagery exploitation currently in use at NPIC and those planned for the future.

3. [redacted] will be in Washington on Friday the 30th of June and TDS personnel would like to be able to talk with [redacted] at the T KH SI level at that time.
